

Technical Bulletin

Product parts affected

TB:10219 | Feb 2017

ES Detect range compatibility with control panels.

Details

The Gent ES Detect conventional detector range, has only been tested with and is only supported on Gents currently sold products:

- Xenex
- S4-34440-12
- S4-34440-02
- S4-34410
- S4-34450 (channel 1 only)

We are unable to confirm compatibility or support with any panel or interface not listed above.

Action

Please ensure all of your engineers are aware of the above information.
